HARLEM JOCKEY CLUB STAKES.

In offering its annual spring and summer list of stakes for the consideration and patronage of the owners of this country, the Harlem Jockey Club presents very attractive features that should suffice to insure big entry lists and great racing. The main stake, is, of course, the new Harlem National Handicap, of the guaranteed value of \$10,000 for this year, it being promised that the value of this event will be greatly increased in 1904 and subsequent years. From the outset it is bound to rank as one of the leading fixtures of the western turf and in the long run must be one of the means of causing eastern handicap horses to take a shy at the rich Chicago offerings.

The other stakes offered are long established and favorite fixtures. The valuable Twentieth Century Handicap with its \$1,000 added money is but little, if any, less important than the Harlem National and was marked by a great performance last year when Scintillant II. established a new American record at a mile and three-sixteenths. It will be the central feature of the autumn campaign at Harlem this year, being set for decision Sept 7, while the Harlem National will be run off June 6, the first day of Harlem's 1903 racing. The Chicago Stakes, \$2,000 added, one mile; Garden City Handicap, \$2,000 added, three-quarters mile, and Austin Selling Stakes, \$1,500 added, one and one-sixteenth miles, constitute the remaining stakes for the division three years old and upward.

The other stakes tendered are the M. Lewis Clark Stakes and Riverside Selling Stakes, for three-year-olds, and the Petite, Graduate, Youngster, Provisto and Junior, for two-year-olds. All are well endowed with added money and their conditions are set out in this issue of DAILY RACING FORM. Entry blanks can be obtained at this office and entries close Wednesday, February 18.

SHEEPSHEAD BAY ENTRIES.

The current Calendar contains a full statement of the entries made in the stakes of the Coney Island Jockey Club, which closed January 5. Up to date the total exceeds that of 1902 by 232 entries.

While the majority of the stakes are thus increased in value by reason of the big entry list, the notable feature to the racing public is the fact that the Suburban Handicap will probably be worth over \$19,000. When the amount of added money to the Suburban was made \$10,000 it was estimated that the Suburban would approximate in value \$17,500. Now the estimate runs up to \$19,000, and may reach \$19,500.

Besides the Suburban, both the Brooklyn and Brighton handicaps, which were made \$10,000 added money stakes, will also come near the \$19,000 figure of the Coney Island Jockey Club event, and it would not be surprising to see these three handicaps pass the \$20,000 mark in another season.

The \$19,000 estimate placed on the Suburban by the Coney Island Jockey Club's secretary is based on a probable list of starters of twelve or fifteen. That there will be this field appears to be reasonable, considering the fact that there are eighty-eight nominations. This is an increase of thirty over last season, when the total was fifty-eight.

The Brooklyn has seventy-nine entries, as against fifty-nine, and the Brighton eighty-three, as against forty-one, last season. Thus the three popular events are greatly enhanced in value as well as in general interest, and providing the horses nominated come on and train well there is a good prospect

that the stakes will prove contests of merit far superior to those of late years.

The list of nominations to the Coney Island Jockey Club stakes given below shows that, with the exception of one or two two-year-old stakes, the entries to which were phenomenally large last season, all are greatly increased in number, the total to the several events being 2,816, as against 2,554 last year.

The Great Trial of \$25,000 just falls one short of the showing in 1902, numbering 144. To the Futurity for 1905 there is a total of 1,161 nominations, thirty-three more than in 1902. The \$10,000 Flatbush Stakes, probably the most important two-year-old stake to be run at the Sheepshead Bay autumn meeting, has a total of seventy-three nominations, nineteen more than last year, and the \$10,000 Double Event has a total of 126, seven more than last year. The June Handicap nominations are increased from 74 to 114, forty more than last year.

The entries received in 1902 and 1903 were as follows:

Stakes	1902.	1903.
Suburban	58	88
June Handicaps	74	114
Advance	42	55

CHICAGO JOCKEY CLUB STAKES.

In the list of stakes advertised in this issue of DAILY RACING FORM the Chicago Jockey Club follows the example of the Harlem Jockey Club in proffering a \$10,000 guaranteed handicap. These two handicaps, the Hawthorne and the Harlem National, are thus of the same value that the Brooklyn and Suburban handicaps were last year and for a number of years previously and, as the weights are to be announced early in the spring, both will probably be quoted in ante-post betting and at once become important and popular fixtures with western racing folk. Weights for the Hawthorne are to appear March 2 and the race will be run on the opening day of the spring meeting, May 23. It is safe to predict that this big stake will attract all of the good handicap horses of the west and be the attraction that will entice a greater attendance than has ever marked the history of the Hawthorne track.

The other stakes proffered are the Northern Handicap, \$5,000 added, 1 1-4 miles; the Superior Handicap, \$2,500 added, 1 1-2 miles; the Flight Stakes, \$1,500 added, 3-4 mile, and the Prairie Stakes, \$1,500 added, 2 miles, all the foregoing being for horses three years old and upward. For three-year-olds the club offers the Excelsior Handicap, \$2,000 added, 1 1-8 miles, and the Premier Stakes, \$1,500 added, 1 mile. The stakes for two-year-olds are the Lassie, for fillies, \$1,500 added, 5-8 mile; Vernal, for colts and geldings, \$1,500 added, 5-8 mile; Juvenile, \$1,500 added, 5 1-2 furlongs; Competition, \$1,500 added, 5 1-2 furlongs, and the Monadnock Handicap, \$1,500 added, 3-4 mile.

These are all valuable stakes and DAILY RACING FORM solicits for them the same generous patronage that has so far been awarded all stakes closed in 1903, and will furnish entry blanks to all applicants.

REGISTRY AND NAMING.

Mr. J. E. Wheeler, Registrar of the Stud Book calls the attention of breeders and owners to the following rules governing the registry and naming of thoroughbreds:

Rule 38.—The office of The Jockey Club is designated as the Registry Office.

The Registry Office is established for the purpose of the identification of all race horses, whether foaled in the United States or in other countries, and the certification of their pedigrees.

Horses foaled in the United States or Canada must be registered with the Registry Office by November 1 of the year in which they were foaled. If proved to the satisfaction of the Stewards of The Jockey Club that the failure of registration be unintentional or accidental, such registration may be permitted by the payment of a fine of \$10 for the registration, provided such application be made on or before December 31 of each year. And if after said date upon the payment of a fine of \$50 for each registration.

The registration shall comprise the name, if any; the color and marks, if any; whether a horse, mare or gelding, and the name of its sire and dam. If the dam was covered by more than one stallion, the names or descriptions in full must be stated.

The registration fee shall be \$2 for each animal, which will include certificate.

Only horses are eligible for registry under this rule which have either five uncontaminated thoroughbred crosses, or which authentically trace through or to animals recorded in the first six volumes of the American Stud Book, or in a recognized Stud Book of another country.

Rule 39.—A name must be claimed through the Registry Office of The Jockey Club for each and every horse on or before March 1 of its two-year-old year. In case a horse is not named prior to March 1 of its two-year-old year, it may be duly named upon payment of a fine of \$50, if name is claimed and allowed at least two days before day of starting.

No name that has been employed during the previous five years, either in the stud or on the turf, shall be duplicated, nor can a name be claimed for any horse not registered as a foal.

N. B.—No horse will be allowed to start unless duly registered and named.

Rules 38 and 39 shall apply only to horses foaled in 1893 and thereafter.

Rule 40.—An owner desiring to change the name of a horse must obtain special permission from the Stewards of The Jockey Club, and shall pay the sum of \$100 on each change of name to the Fine Fund.

An owner may change the name of a horse before March 1, of its two-year-old year, without special permission, upon payment of \$10 to the Fine Fund.

Rule 41.—A horse foaled out of the United States or Canada shall not be qualified to start for any race until the owner has filed in the Registry Office a certificate stating age, color, sex, distinguishing marks, if any, and pedigree as recorded in the official stud book of its native country, signed by the secretary or other public officer of a recognized racing club, or by some approved magistrate or public officer of the country in which the horse was foaled, or has otherwise satisfied the stewards of The Jockey Club as to its identity and age, and has filed with The Jockey Club, after importation, a certificate of identification from a veterinarian.

This registration must be made at the Registry Office within sixty days after landing in this country, and the registration fee shall be \$5 for each animal, which will include certificate of registration. If it be proved to the satisfaction of the stewards of The Jockey Club that failure of registration be unintentional or accidental, such registration may be permitted by the payment of a fine of \$25 if made within six (6) months after landing, and if after such time upon payment of \$50 for each registration.

Winner—Ch. f, by Sir Walter—Lady Luke (trained by W. Karrick).
Went to post at 2:12. At post 3 minutes. Start poor. Won handily; second the same. Lady Walter got off in her stride, was at home in the going and, displaying a good turn of speed, had something in reserve at the end. Bessie Kirby was hustled along all the way, but came wide at the turn into the homestretch and carried Billy Jackson to the outside fence. She was driving to the limit at the end to stall off Salto. The latter was as good as left and closed a big gap in the first quarter, which told at the end. Sir Roche was under punishment all of the last quarter.

Winner—Ch. g. by Abana—Mokkar Hi (trained by J. Cochran). Went to post at 2:14. At post 2 minutes. Start good. Fairbury was lucky and had clear sailing, gradually improved his position, gamely holding a slight lead from when a furlong from home. Frank Pearce, suddenly improved, turned wide into the stretch and closed up like a shot. Pat Oran sustained his speed unexpectedly well. Cousin Carrie showed early speed, but is a quitter. Cherries got away badly, but made up ground and was closing up strongly at the end. Tommy Knight was nearly left and closed a big gap. Dora I. retired early. Fairbury, show, 2 to 5. Frank Pearce, show, 2 to 1. Pat Oran, show, 3 to 2. Dora I., show, 4 to 5.

Winner—Ch. c. by Colonel Wheeler—Early Rose (trained by C. T. Patterson). Went to post at 2:58. At post 1 minute. Start bad. Won handily; second driving. Cascine was lucky at the start, but Minder's four-mile tactics nearly proved his undoing. He allowed Planet to steal a long lead, but won going away, with a tremendous last quarter sprint. Planet got away running, made the most of his advantage and appeared a certain winner in the stretch with his long lead, but tired right at the end. Punctillo is improving and finished going fast. Box Wood, nearly left and running green, made up twenty lengths on the leaders after getting into his stride and is evidently a good one and looks it. Annie Marie was outclassed and quit in the last furlong after a hard early effort. Cascine, show, out. Planet, show, out. Punctillo, show, 8 to 5. Box Wood, show, 3 to 1.

Winner—Br. m. by Apache—Play Toy (trained by W. L. Stanfield). Went to post at 3:00. At post 1 minute. Start fair. Won easily; second the same. Kittie Kelly led throughout undisturbed, the contenders being removed on the first turn when Jarretiere d'Or stumbled and interfered with nearly every other horse. She ran in vastly improved form, however. Maggie Felix received a poor start and was interfered with on the first turn, then put up a game, but unavailing, stern chase. Rollick was a lucky third, with clear sailing. Byronerdale, badly ridden and in poor form, was responsible for the bumping on the first turn. Lode Star sulked throughout and ran a very bad race. Scratched—37023 Constellator, 104; 37055 St. Sever, 102; 37091 Tizona, 101; Arbamahala, 100; (37090) Ultradr, 99; 36883 Prue, 97. Corrected weights—Mr. Farnum, 91. Kittie Kelly, show, 3 to 1. Maggie Felix, show, 3 to 5. Rollick, show, 8 to 5. Jarretiere d'Or, show, 1 to 3.

Winner—Br. m. by Masetto—Queen Titania (trained by J. D. Millin). Went to post at 3:25. At post 4 minutes. Start bad. Won driving; second the same. Princess Titania secured a lucky start, was skillfully handled, had clear sailing, was under pressure throughout and finally wore Glendenning down at the end. The latter got the pace at such a fast clip that the race quickly became a procession and sustained his brilliant speed unexpectedly well. Arabo was unlucky in the last furlong, where he was pocketed in behind the tiring pacemaker, but ran a high class race and was probably best. Constellator, away badly and outrun early, finished fast. The Fretter improved his position throughout. Stuyve ran a good race. Leader had no chance with a bad ride and was inextricably mixed up and roughed out of it. Tower of Candles, nearly left, raced a fast half and retired. Scratched—36988 Sylvia Talbot, 85. Overweights—The Fretter, 2 pounds. Princess Titania, show, 1 to 2. Glendenning, show, 3 to 1. Arabo, show, 1 to 2. Leader, show, 4 to 5.

Winner—Ch. g. by Sir Dixon—Wiesbaden (trained by W. Fisher). Went to post at 3:55. At post 2 minutes. Start fair. Won driving; second the same. The early pace was ridiculously slow and the race not truly run. Dr. Bernays was lucky, trailed to the half, where he moved up suddenly and outsprinted the badly-ridden Lord Badge in the last quarter. The latter was crowded at the start and bumped on the turn, then took the lead on the far turn and appeared a sure winner, but failed unexpectedly under a weak ride. Grafter was closing up very fast at the end and would have won in a few more strides. Bessie McCarthy was at a great disadvantage with the slow early pace and was outsprinted at the end. She met with much interference on the turn. His weight and the hard track told on Corrigan. Dr. Bernays, show, 3 to 2. Lord Badge, show, 3 to 5. Grafter, show, 1 to 2. Bessie McCarthy, show, 2 to 5. Corrigan, show, 2 to 5.

37126 SIXTH RACE—3-4 Mile. Purse \$400. 3-year-olds and upward. Selling.

Winner—B. m. by Domino—Gloaming (trained by R. A. Smith). Went to post at 4:21. At post 1 minute. Start fair. Won easily; second the same. Double Six took a big lead in the first furlong and easily retained his advantage to the end. Ada N. was away poorly and Minder waited too long before making his run. She closed up with a sensational rush in the last quarter and is in great form. Bucolic went well throughout. El Chihuahua showed decided improvement. Onyx II tired right at the end. Bard Burns failed to stay after a hard early effort to overtake the winner. Rag Tag showed early speed. Scratched—37124 Glendenning, 105; 37086 Rose of Hilo, 103; 37086 Sainly, 102. Double Six, show, 3 to 5. Ada N., show, 3 to 5. Bucolic, show, evens. Bard Burns, show, 1 to 2.
